

**PROJECT UPDATE  
COLLEGE PLACE IMPROVEMENT PROJECT**

**Contractor:** Helms & Sons Excavating, Inc.

**Subcontractors:** Insight Pipe Contracting

The **road closure** has been initiated. All thru traffic is prohibited. Access to all residences and the college parking lot near Webster Street will be maintained.

***Projection of Work to be Performed  
for week beginning June 11, 2018***

*Work to be performed may include:* continuation of storm sewer installation along Webster, installation of storm sewer along College Place and sewer lining work.

All work indicated above is weather dependent.

Please feel free to contact me for any additional information.

Respectfully:

Melinda K. Sprow, City Engineer  
631 Perry Street  
Defiance, Ohio 43512
