

**PROJECT UPDATE
COLLEGE PLACE IMPROVEMENT PROJECT**

Contractor: Helms & Sons Excavating, Inc.

Subcontractors:

The **road closure** has been initiated. All thru traffic is prohibited. Access to all residences and the college parking lot near Webster Street will be maintained.

***Projection of Work to be Performed
for week beginning July 9, 2018***

Installation of catch basins along College Place will begin. Installation of replacement sanitary sewer laterals from the lined sanitary sewer main will also begin. Work will progress from the eastern end of College Place and move west.

All work indicated above is weather dependent.

Please feel free to contact me for any additional information.

Respectfully:

Melinda K. Sprow, City Engineer
631 Perry Street
Defiance, Ohio 43512
