

**PROJECT UPDATE
COLLEGE PLACE IMPROVEMENT PROJECT**

Contractor: Helms & Sons Excavating, Inc.

Subcontractors: County Electric

The **road closure** has been initiated. All thru traffic is prohibited. Access to all residences and the college parking lot near Webster Street will be maintained.

***Projection of Work to be Performed
for week beginning July 30, 2018***

Underground electric conduit installation will be completed for the new pedestrian lighting. Light pole foundations will be installed for the new pedestrian lighting. Mass roadway excavation will continue. Placement of the new roadway aggregate base is anticipated to be complete by the end of the week.

All work indicated above is weather dependent.

Please feel free to contact me for any additional information.

Respectfully:

Melinda K. Sprow, City Engineer
