

**PROJECT UPDATE  
COLLEGE PLACE IMPROVEMENT PROJECT**

**Contractor:** Helms & Sons Excavating, Inc.

**Subcontractors:** Oglesby (concrete work)

The **road closure** has been initiated. All thru traffic is prohibited. Access to all residences and the college parking lot near Webster Street will be maintained.

***Projection of Work to be Performed  
for week beginning August 20, 2018***

Curb installation will continue on the south side of College Place. Final mass roadway excavation and subgrade prep will take place near College Drive. Placement of the new roadway aggregate base is anticipated to be complete by the end of the week. Asphalt placement is anticipated to begin August 27th.

All work indicated above is weather dependent.

Please feel free to contact me for any additional information.

Respectfully:

Melinda K. Sprow, City Engineer
