

MARK YOUR CALENDAR – SATURDAY, APRIL 9, 2022!!

The Werlor Waste Control's **FREE Disposal Day** at the designated parks below will be held in conjunction with the annual **Clean up Your Park's Day** on **Saturday, April 9, 2022** from **8:30 am to 11:30 am**. This day is part of the City's contract with Werlor to provide **one day of free disposal to those who live in the City**.

FOUR CITY PARKS TO USE:

-  **Kingsbury Park** ~ 102 Auglaize Street
-  **Bronson Park** ~ 2104 Power Dam Road
-  **Veterans Park at Latty's Grove** ~ 610 Williams Street
-  **Diehl Park** ~ 909 Wemor Drive

Please be environmentally friendly by not throwing away items that the landfill cannot accept or are hazardous. The **landfill cannot accept tires, appliances, hazardous materials, yard waste, batteries, burn barrels, or liquids of any kind**. BUT OmniSource, located at 880 Linden Street, will accept metal products, all appliances, and Freon will be disposed of at no charge and will be open on Saturday, April 9, 2022 to accommodate Defiance residents.

Be a good citizen by placing everything inside the large Werlor containers and not beside it. Your patience is also needed to make this a smooth process.

Please do not dispose your items prior to or after the allotted timeframe. Once a container is full Werlor will remove it and replace it with another, so allow space for Werlor's drivers to do this. The landfill closes at noon so the goal is to get everyone through as quickly as possible by 11:30 a.m. If one park is very busy, try another one. (listed above)

The Mayor, Board of Control, and City Council appreciate your help in keeping our City clean and beautiful. They are also grateful for the Werlor Waste Control staff for offering this service to our community!

a great place to live
