

**Public Meeting for DEF-15-16.56 (PID 103689)
 Ottawa/Cleveland Intersection Improvements
 Tuesday December 18, 2018 (6:00pm – 8:00pm)**

Meeting Purpose:

The purpose of this meeting is to present and discuss the planned improvements of the SR15 (Ottawa Avenue) and Cleveland Avenue intersection as well as the non-motorized facilities along Cleveland Avenue to solicit input from the public on the proposed project.

Meeting Format:

The meeting format today includes the following:

- 6:00pm – 6:30pm is a formal presentation
- 6:30pm – 8:00pm is an “Open House” format

This meeting is a mix of an “Open House” format with a brief formal presentation. There are several **Information Stations** setup around the room that you can visit and ask questions of the City and consultant staff. The table below is a guide as to what information is presented at each station:

Station #	Station Name	Information Presented

**Public Meeting for DEF-15-16.56 (PID 103689)
 Ottawa/Cleveland Intersection Improvements
 Tuesday December 18, 2018 (6:00pm – 8:00pm)**

The **PURPOSE** of the project is to enhance safety for motorized and non-motorized traffic; to improve intersection safety to alleviate angle and left turn crashes; improve non-motorized mobility and connectivity; improve roadways to current design standards; and to enhance roadway drainage and aesthetics.

The **NEED** elements include:

- Crash history patterns
- Intersection and geometric issues
- Lack of non-motorized facilities
- Planning document support
