Semi-Annual SCHEDULE OF WATER MAIN FLUSHING

The Defiance Water Division will be flushing water mains during the **Weeks of June 6 and June 13, 2021**. Water main flushing is done semi-annually to remove sediment and rust from waterlines, which may cause discoloration in the water. Low water pressure may occur. Any problems or concerns associated with the flushing should be directed to the Defiance Water Distribution Barn at 419-782-5687. The program schedule is as follows:

Week of June 6, 2021:
